

Giving Thanks

Thanks so much to all the parents for the wonderful snack you have been providing for our children. The kids love being the special helper on their snack day. It has really worked out great. Start Thinking Of Summer

Have you started thinking about what you are doing this summer? Well, think now! Open registration for summer programs begins on Monday, April 16.

There's so much to choose from, from summer camps to martial arts to a family campout. For those kids entering preschool in fall, come a week early to meet your teachers and go buggy in the Jumpin' Joeys Camp.

Those kiddos entering kindergarten or first grade can come all summer long to Kampin' Koalas to swim and enjoy loads of stimulating activities.

Choices for school-aged children range from a weekly sports activities at Sports Of All Sorts to the outdoor adventure Camas Discovery Camp, where hands-on learning will happen

daily. The Summer Playground Program begins on June 25 and will be offered on a drop-in basis at various parks throughout Springfield.

Other events that may be of interest include:

- Free family bike ride at Clearwater Park on July 25 from 5 to 6 p.m.
- Come sleep out under the stars at Cabela's Family Campout at Clearwater Park on Aug. 10-11. This event is \$5 a person for district residents.
