ROSTER INFORMATION

Please ensure that the team representative provides an accurate phone number, mailing and **e-mail** address for communication purposes.

The final roster is unlimited. However, information for a minimum of five players must be listed in order for the roster to be accepted at the time of registration at the Community Recreation Center, 250 S. 32nd St.

Add and drop forms available at the game sites or district office may be used for additional players up until the third (3rd) league game.

Players will not be considered eligible until they have signed their own name and listed all of the requested information. Players providing falsified information shall be prohibited from participating in the league. Any teams using a non-rostered player will forfeit any games in which that player participated.

Players may only register for one team within the Willamalane leagues. **No exceptions.**

TEAM PLACEMENT IN LEAGUES

Teams are asked to make two choices as to their league preference on the attached Basketball Information Sheet. The Athletics Manager will then assign teams to leagues based on those preferences, past standings and any other pertinent information. **THE ATHLETICS MANAGER WILL HAVE THE FINAL SAY ON ALL TEAM PLACEMENTS.**

PRIORITIES FOR REGISTRATION: ALL TEAMS MUST BE IN GOOD STANDING!

1ST PRIORITY: Returning district Winter League teams have the first priority. A returning district team is a team with no more than three (3) players residing outside the district boundaries, and who participated in the Willamalane Winter Basketball league last year. These teams register on Monday, Nov. 16.

2ND PRIORITY: New district teams have second priority. A district team is any team with no more than three (3) players residing outside district boundaries. These teams register Tuesday, Nov. 17

3RD PRIORITY: Returning Winter League non-district teams and teams whose sponsor own a business within the district boundaries have third priority. The team is not required to meet the stated qualifications. These teams register Wednesday, Nov. 18.

4TH PRIORITY: All new non-district teams register Thursday, Nov. 19.

Priorities on entering the leagues are given to returning teams or team managers, not to returning sponsors. If a team manager should move from the area or resign from active participation, his team would still receive their priority as long as it is a team with more than one-half of its players returning from the previous year. If it is a team with less than one-half of its players returning, they will be treated as a new team.

EXCEPTION: If a team that was in our program the previous year splits up, the priority shall be given to whichever team has the most district players from the previous year's roster. If both teams have equal numbers of returning district players, then whichever team the team captain is on will receive priority. If neither nucleus has at least three district players from last year's team roster, both teams will be new teams.

REGISTRATION PROCEDURES

Bring league fees and completed information forms on assigned registration date to the Community Recreation Center, 250 S. 32nd Street, between 8 a.m. and 6 p.m. At 6 p.m. teams will be assigned to their respective leagues. If there are more teams wishing to play in a specific league than there are spaces in that league, a drawing will be held. Those teams not chosen may enter a different league provided space is available. **NO REGISTRATIONS WILL BE ACCEPTED WITHOUT A COMPLETED ROSTER, TEAM INFORMATION SHEET AND THE COMPLETE REGISTRATION FEES.**

TEAM REGISTRATION FEES

Teams will not be allowed or considered registered until they have paid the registration fee. Fees are payable at the time of registration and must be in the form of cash/check/MasterCard or Visa. Statements will not be mailed and all checks will be deposited on the day they are received. If a team's check is returned for non-sufficient funds, another team will be entered in their place and the NSF check will be returned.

REFUNDS

There will be no refunds once the schedule is printed, not even if a team is expelled from the league.
