2012 BOND MEASURE PROJECT SUMMARY

BOND PROJECT UPDATE

When voters said yes to a bold investment in parks and trails, Willamalane delivered.

1 Gamebird Park

Willamalane partnered with Springfield Public Schools and Huerto de la Familia on a nearly one-acre community garden with 60 plots.
COMPLETED

2 Pacific Park

Willamalane redeveloped a park in the Pacific Park subdivision, adding a new playground, seating areas, and basketball court.
COMPLETED

3 Adult Activity Center

Willamalane replaced outdated kitchen equipment and carpeting.
COMPLETED

4 Island Park

Willamalane added new playground surfacing, a sand play area, and a new restroom.
COMPLETED

5 Dorris Ranch

Projects at this historic park include a new restroom, signage, and entrance improvements.
COMPLETED

6 Mill Race Path

This 2.7-mile walking and cycling path follows the historic Springfield Mill Race from downtown to the Middle Fork Path.
COMPLETED

7 Marylhurst Park

Willamalane constructed a new neighborhood park at 18th and H Streets.
COMPLETED

8 Les Schwab Sports Park

Willamalane constructed two new synthetic turf fields and is replacing the turf on two others. We've also added an entry plaza and restrooms.
COMPLETED

9 Clearwater Park

Willamalane built two new trails and installed a disc golf course.
COMPLETED

10 Quartz Park

Willamalane partnered with Springfield Public Schools on a new park that will serve as a playground for a future school.
COMPLETED

11 Thurston Hills Natural Area

Willamalane has built a trailhead and initial trail system at this new 665-acre natural area, with more trails to come.
COMPLETED

12 Splash! at Lively Park

Willamalane made energy conservation upgrades.
COMPLETED

13 Ruff Park

This growing magnolia arboretum has new improvements to parking, paths, and landscaping.
